"I am all around," I heard this voice say.
"I am all you are and all you know.
Never far away -- I'm on your side."
This voice went on to say, "Here's how you know:

See me in the sunny mornings,
Like the clouds I'm high above.
I have filled your days with laughter
And your heart with love."

Achein yeish Adonai bamakom hazeh v'anochi lo yadati . . .
Wanting to believe this voice inside me,
Trust there's something there for me to hold.
I know I'm not alone with all these feelings.
History has shown and we've been told.

Can you hear the children singing?
Don't you feel their spirit glow?
Surely God is with me always
But I did not know.

Achein yeish Adonai bamakom hazeh v'anochi lo yadati . . .

"I am all around, in every daydream;
I am all you are and all you know."
"When you struggle for your freedom
I am right there, close at hand."
All in all the world gets better
When we understand.

"I am all around, in every daydream;
I am all you are and all you know . . ."
