day. (On your wed-ding day.)\_\_\_\_\_

We bless you on your wedding day;  
On your wedding day we bless you.  
Love holds us here and it brings us light;  
When you shine your light, love holds us.

All your friends have gathered 'round  
To feel the joy that you have found.  
Circle 'round, and 'round and 'round.  
We bless you on your wedding day.

Ah, love is like the ocean side;  
Like the ocean side, your love is.  
And each moment that you're far from me  
I can love the sea between us.

Families grow like waves we see,  
But this one's just for you and me.  
Like the tide it sets us free.  
Your love is like the ocean side.

You've got friends around you;  
That's your star in the sky.  
Blessings that surround you now  
Follow you throughout your life.

And so begins eternity;  
Eternity begins here.  
Are you looking forward to those memories  
Of your glowing love eternal?

May your marriage speak to us,  
Teach us strength and Godliness  
So that we may forever be blessed.

We bless you, (oh oh) and you bless us.  
*Ah blessings on your wedding day*
